Dear Homeowner:

RE: Revised Proposed Amendments to By-Laws

The Board has revised the amendments that were sent out to you earlier this year. After discussion of these amendments at the January 18 general membership meeting and after review of certain resident concerns, we agreed to make some changes to address these concerns.

These revised amendments with some new wording (underlined) follow on the next two pages.

We again plan to further discuss our amendments and why these changes are for the benefit of our community at the April 19 general membership meeting. We also plan to work with the Judiciary Committee in preparing a ballot vote on these amendments prior to the election process for new Board members in September.

Please take another look at these amendments as we look forward to the spring season.

Sincerely

Your Board of Trustees
