More than just ASSISTED LIVING

SUNNYSIDE MANOR

THREE WORLD CLASS NEIGHBORHOODS PROVIDING A Continuum of Care

- **Independence 'Plus' Assisted Living**

We provide the perfect senior living community committed to creating a stimulating environment in which to thrive. By offering a continuum of care under one roof, seniors can "age in place," knowing they don't have to move, even as their care needs change.

- **Recollections Memory Care**

We offer a safe and secure environment for our residents who are living with memory loss. Our specially trained staff will create a schedule for your loved one that includes personalized care, comprehensive dining and opportunities for socialization.

- **Skilled Nursing – Long Term Care & Rehabilitation**

As a Medicare 5-Star Quality Rated facility, our highly skilled, award-winning team is devoted to ensuring an exceptional quality of life for every one of our residents. With onsite rehabilitation services, you can receive physical, occupational and speech therapy.

MaryEllen Keane, Administrator, winner of the *Eli Pick Leadership Award* for advancing leadership excellence in long-term care for three consecutive years.

Deadline for *The Voice* is the 25th of the month. If the 25th falls on a weekend, the deadline is the preceding Friday. Please send your articles for *The Voice* as an MS Word attachment to:

Nancy Lindstrom at nancy.lindstrom@fsresidential.com

The Voice staff is committed to producing a newsletter that publishes timely information and announcements for, about, and by the residents of Four Seasons.

- News articles and announcements will be given first priority. Human interest and other "features" are welcome and will be printed as space permits. Articles may be edited.
- No editorials, letters-to-the-editor, or articles of a political nature will be printed.
- No material of any nature that has appeared in another publication will be accepted.
- Monthly deadlines will be strictly observed to allow the production time necessary for publication.
- Your cooperation is appreciated.

March Snowstorm

Winter has finally gone but not without a parting blast in the form of the late March snowstorm. The decision not to shovel the walkways from the driveways to the front doors was both praised and criticized. Even without the added shoveling, the cost for snow removal from the storm was \$20,591. In light of all the comments we received, the Board intends to conduct a thorough review of our snow removal policy and the potential monetary cost to our residents in HOA fees. We expect to review it with the community at the Spring General meeting on April 19th.

Amendments to the By-Laws

By now you should have received the letter with the proposed changes to the By-Laws of the community. We hope that you will read them carefully and send in your ballot. We will discuss the proposed changes at the Spring Open meeting. If you have any questions on the proposed changes, please come to the meeting or contact a Board member.

Thanks to Our Volunteers

Four Seasons could not be the great community it is without volunteers stepping up to take on responsibilities and manage projects. We'd like to thank three people who have come forward recently to help out: **Harry Nickel** will take over from **Tom Kane** as the new Chair of the House and Recreation Committee. **Anthony D'Altrui** is managing the project to repair and reconstruct the Bocce Courts; **Marilou Brill** has volunteered to decorate and keep the counters and lobby area clear and clean. If you're interested in helping in any capacity or have ideas to improve the Four Seasons community, please let us know. Also, it isn't too early to be thinking about running for the Board of Trustees in September. There will be three spots up for election. If you'd like to get more information about what the job entails, ask one of the current Board members.

Police Meet and Greet May 17

The Wall Township Chief of Police, Kenneth Brown, will be at Four Seasons along with several of his staff, on Thursday, May 17 from 9:45 to 11:00 AM. He will give a brief presentation and then you'll have the opportunity to talk with him and ask questions of his staff in an informal setting. Chief Brown visited us last year and looks forward to meeting with the community again.

Outdoor Pool Rules

Summer is coming and the outdoor pool will be opening before we know it. The 2018 Pool Rules will be published in May and June issues of *The Voice* and we ask that everyone read and save them. Copies of the rules will also be available in the clubhouse. If you have any questions on the rules or procedures for getting passes, please see Chuck or Nancy in the Management Office.

Repair and Maintenance Items

Below are some significant items noted in Board approvals that have been completed or will be in process over the next months:

- Three areas of pavement and catch basins around the Clubhouse parking areas were rebuilt and repaired
- A new sofa was purchased to replace the old one in the Billiards Room
- The Kitchen renovation has been completed and it's "open for business"
- Repair and Renovation of the Bocce Courts
- Painting of the Fitness Room ceiling

HAPPY SPRINGTIME

One of the pleasures of the arrival of spring is enjoying the outdoors and discovering all the interesting plants around our homes coming alive. It is also a good time to walk around our homes and note what needs attention. Note the siding - is mildew making it's ugly appearance? ... then it is time for power washing! How about the landscaping? This too requires maintenance. The leaves that nurtured our shrubs during winter should be removed. When all of this is done and landscaping is planned, we can begin to think of our summer plantings. All of these efforts continue to make Four Seasons a beautiful and desirable community enjoyed by all of our residents and visitors.

POOL COMMITTEE

Despite the late winter snow, we are preparing for the summer pool season, as we also enjoy the availability of the beautiful indoor pool and the bone-warming spa.

The public health code requires regular and routine testing of the pool water during the day. This chore is performed by our pool manager on duty during the summer season, and by our maintenance staff during the winter weekdays. However, during the fall, winter and spring weekends a wonderful cadre of volunteers provides this testing, at 10:00AM and noon, or 2:00 PM and 4:00 PM.

Tim Kearney (732 528-3710) and **John Rowe** (732 681-3695) co-chair this generous service to our community. They are always willing to provide training to new volunteers. Minimal training is required. Those of you who may have enjoyed your own pool before moving here will find it an easier task than you often did in your previous life. If you can give an hour on Saturday or Sunday it will be so appreciated – and we will not have to close the pool on weekends. Please contact Tim or John.

Rules for utilizing these wonderful amenities are being modified and will be published in full in the next edition of *The Voice*.

We are so fortunate to have these wonderful facilities, summer and winter. Your participation is encouraged; your assistance in maintaining these resources is appreciated. Enjoy!

GOLF CLUB

Golf Season hopefully has started by the time you read this. We just want to tell you about some dates you should put on your calendar for this year. On Thursday, August 23 we will have our Annual Day at Monmouth Race Track and on Wednesday, September 26 we have scheduled the Annual Golf Dinner Dance at Crystal Point in Point Pleasant. We have moved up the date for the Dinner from November to September so we could appreciate the view that we get at Crystal Point in the daylight. In June we will be having our Annual Golf Outing at Crystal Point. Look for the information in the next issue of *The Voice*.

Book Review

Ordinary Grace

This is a heart wrenching story told by Frank Drum as he looks back on his thirteenth summer, 1961. His perspective is forty years later and he says he knows there is no such thing as a true event. Accounts vary depending on the perspective from which the event is viewed. The author is William Kent Krueger and he is best known as a mystery writer.

Hope is in the air early in the book. There is a young, handsome President. The Minnesota Twins are playing their first season. Frank and Jake Drum live across from the church where their father is the minister, their mother the singer and choir director and their prodigiously talented older sister, Ariel is headed to The Julliard School of Music to pursue her dreams.

Death enters their Minnesota river valley in the forms of murder, suicide, accidents, nature. It is a summer when death visits too often and leaves questions in its wake. So many of the characters are damaged by war, by prejudice and by love itself. Yet, there are miracles, and faith abounds among several characters, especially the father. He is a counselor to many of his congregants and his strength and belief in a good God is amazing. In a most heartfelt sermon he tells his listeners "In your dark night, I urge you to hold to your faith, to embrace hope and to bear your love before you like a burning candle, for I promise, it will light your way."

Jake, the younger brother, stutters and for the most part remains silent so he will not be teased and called names. Yet, he sees the truths in situations that those around him miss. His courage, when needed, is beautiful. As the summer unfolds, the boys lose their innocence and learn many things that should have come to them in later years.

The author ends his story with an epilogue forty years later which leaves you with the realization that each simple life with its story is an ordinary grace.

WOMEN'S CLUB

**Women's Club Meeting on Wednesday, May 9
@ 1:00 PM – Open to All**

Happy Spring everyone! Or is it? How does the groundhog keep his job? As a reminder, our guest speaker for the Women's Club Meeting on May 9 will definitely warm our hearts. Here is the marvelous news: The guest speaker at our May 9 meeting will be the beloved "Queen of Suspense", author **Mary Higgins Clark**. For those residents of Four Seasons who might have missed the article about her in the February issue of *The Voice*, I requested it to be included again in this April issue.

Mary Higgins Clark is an American author of countless suspense novels. Each of her 51 books has been a bestseller in the United States and various European countries, and all of her novels remain in print. Higgins Clark began writing at an early age. After several years as a secretary and copy editor, she followed her travel fever, spending a year as a stewardess on Pan Am's international flights before leaving her job to marry and start a family. She supplemented her family's income by writing short stories. After her husband died in 1964, Higgins Clark worked for many years writing four-minute radio scripts until her agent persuaded her to try writing novels. Her debut novel, a fictional account of the life of George Washington, did not sell well, so she decided to leverage her love for mystery/suspense novels, which became very popular. Her books have sold more than 100 million copies in the United States alone. She is acclaimed world-wide and has received honorary doctorates and awards way too numerous to list.

It is a true honor that Ms. Higgins Clark has agreed to speak at our May 9 meeting as well as autograph her most recent book, *I've Got My Eyes on You*. The book will be available to our residents at a discounted price and must be pre-purchased at BookTowne (171 Main Street, Manasquan). BookTowne has also set up a special website for on-line purchasing. Residents who buy the book ahead of time will have it signed at our meeting. The website is posted in the clubhouse as well as on our own website. Please watch for the information and consider buying a book or two to give a collectible from a famous author as a unique Mother's Day gift for a daughter or a special friend. All residents are welcome. Coffee, tea and cookies will be served toward the end of the meeting.

I hope you will be able to attend this very special meeting. I am looking forward to seeing all members and non-members at our May 9 meeting (1:00 PM!). Let's all support the work of the Women's Club and have a large turnout.

Also, mark your calendar and buy a ticket for the ***Four Seasons Kitchen Tour*** scheduled for Tuesday, May 22. The tour of kitchens in the Four Seasons community

will take place from 10:00 AM to 1:00 PM, with a buffet luncheon and a gift basket drawing at the Clubhouse starting immediately thereafter. This event will be a fundraiser for the non-profit organization *Alzheimer's New Jersey* (alznj.org).

Social Concerns

By the time you are sitting down to read this, hopefully the last vestiges of our "welcome spring" snowstorm will have disappeared AND you will have purchased a ticket for our Kitchen Tour fundraiser!! The tour of 10 newly renovated kitchens will be held on Tuesday, May 22 from 10 AM to 1 PM, with a buffet luncheon and gift basket drawing to follow in the Clubhouse. All proceeds will benefit the non-profit organization *Alzheimer's New Jersey* (alznj.org) which assists individuals and families in New Jersey through resources, services and financial grants that are impacted by Alzheimer's and dementia. This will be an opportunity to perhaps inspire creative juices ("Hey, I can do that in my kitchen!"), or at a minimum join with friends and neighbors to support an exceptionally worthy cause. Thanks to Co-Chairs **Sheila Devenish** and **Marilyn Carpini**, along with many others who are hard at work to make this a successful and enjoyable event.

And for those who are looking for a good excuse to update their summer wardrobe, put a "donation" box in your closet and start collecting summer clothes to donate to Mercy Center in Asbury Park. The annual summer clothing drive will take place on Wednesday, May 30, in front of the Clubhouse, between 9:30 AM and 11:00 AM. This year there will only be one date for the collection of gently used clothing for women, men and children. Gently used shoes, backpacks, pocketbooks, socks and undergarments are appreciated, as well as sheets, towels and blankets. Professional/ career clothing is **NOT** needed by the clients served by Mercy Center and only utilitarian household items, such as pots and pans, are accepted due to space limitations.

The next meeting of the Social Concerns Committee will be held on Wednesday, April 18 at 9:30 AM in the Ballroom. The Committee is starting to plan for Summer and Fall projects, so we encourage attendance by all members of the Committee so that every voice has an opportunity to be heard. We will discuss continuing or modifying past projects and will be welcoming new thoughts and ideas, along with welcoming many new members!! "**Creative thinking inspires ideas. Ideas inspire change.**" Please join us.... and bring your thinking caps!!

SINGLES CLUB

The Singles Club met on March 19, 2018 for its annual movie and pizza night which was attended by approximately 40 members. Our hosts for the evening were **Ollie Kraemer, Dee Kerrigan and Nancy Dietz**. We want to thank them for their hard work in setting up the ballroom and bringing all refreshments in without the use of the clubhouse kitchen. Thanks also to **Erwin Tepper** who is always willing to assist with the technical aspects of this production.

Our next meeting will be held on Monday, April 16 at 7:00 PM in the clubhouse ballroom. Our meeting coordinator will be **Pat Anderson** who has planned an evening of talent expressions by our members. Pat will be recruiting members who can sing, recite poetry, tell stories, paint, crochet, quilt, knit or are otherwise artistically creative. Coffee and desserts will be provided. All Singles Club members are invited to join us. Co-Treasurers **Marilyn Dick and Eileen Bagley** will be available to collect any unpaid dues. Please plan to join us for what proposes to be an enjoyable evening.

We are looking for volunteers to consider serving as Co-Chairs of the Singles Club for the next season, beginning in September. We have many members who are always willing to help out at all our events, but we are in need of new leadership as our current Co-Chairs, Ollie and Dee, are retiring. Please give it some thought!

Our reputation for quality outcomes and results is unsurpassed and we strive to remain among the top professionals in our field. Our team will make you feel comfortable and confident with the courtesy, respect and compassion necessary to accomplish your goals.

The Flock Returns

Just as the swallows return to Capistrano each year, our very own Snowbirds will begin to return to Four Seasons in April. They will return by plane, car or even on the auto train but come they will bearing tales of sunny days, crystal blue waters, palm trees and a thousand photos on their cell phones and iPads showing their smiling tanned faces. Those who braved the winter by remaining up North may get cornered by a Snowbird who wants to show you his electronic albums of photos. Put aside at least an hour. Also beware of invitations to come over for drinks and a slide show of photos of glorious Florida showing neighbors romping around in shorts and sandals in February. Dedicated winter residents who hibernate here during the frigid months consider such behavior boorish.

However, as a Snowbird myself, let me assure you it is not all grand and glorious down South. Do you think any Snowbird will show you a picture from their voluminous

collection of a frozen iguana? Oh, no, I don't think so. *(By the way, so you don't get confused, a "frozen iguana" is not a type of Florida cocktail.)* During the Florida cold snap days of January, iguanas were freezing in the trees and falling from the branches to the ground. *(This is a true fact! I do make up a few things in these articles but this is a genuine fact.)* Some iguanas were able to be revived by being placed in direct sunlight while sadly some passed on to the great Iguana Ville in the sky. So, it was downright dangerous for Snowbirds during January in Florida. You stood the risk of getting bopped in the head with a frozen iguana. Some Snowbirds resorted to wearing bike helmets whenever they went out in January.

So, returning Snowbirds, be kind to our residents who are thawing out this month and don't bore them to death with your Florida tales. Welcome home!

Suffering From Knee Pain? Time to Try this SAFE, Non-Invasive Way to Get Your Life Back!

All natural, safe, and effective treatment offered at Monmouth Pain & Rehabilitation proven to relieve knee pain as fast as possible... no surgery, no steroids, no prescription drugs.

Knee Pain can be debilitating and life-altering.

But it doesn't have to be!

Knee problems can leave you in unbearable pain, unable to enjoy the same activities you used to, and even immobile in some cases. What if you didn't have to live in pain? How different would your life be if you weren't bound by the limitations that come with knee pain?

After nearly 20 years in service and thousands of patients treated, the doctors at Monmouth Pain & Rehabilitation (MPR) have found the special formula: knee problems and the pain that ensues cannot be resolved with a one-dimensional treatment. Which is why these doctors combine multiple high-tech modalities to deliver patients the remedy they've been searching for.

Call today to schedule a FREE consultation (\$245 value) – 732-345-1377

Advanced, all natural technologies without going under the knife

How does it work? The medical doctors at Monmouth Pain & Rehabilitation pay special attention to each individual patient in a quality controlled environment. These highly qualified medical doctors use x-ray analysis plus video fluoroscopy to pinpoint your problem areas with extreme accuracy. They then inject a cushioning gel, called a viscosupplement, and the healing process begins. Watch as your knee shows up on the screen and the viscosupplement begins to work right before your eyes! This holistic gel injection is often compared to getting a routine shot at the doctor's office. Finished before you know it, and then you're on your way to healing!

Spotlight on the technology: A closer look

K Laser Therapy[®] is used to supplement the injections as a way of expediting the healing process. The laser interacts with the cells to increase cellular energy so that these cells can begin rebuilding tissue in the damaged area. Laser energy increases circulation, drawing water, oxygen, and nutrients to the knee. You will feel the beneficial effects, as the laser treatment reduces inflammation, stiffness, and pain.

To accelerate your healing even further and faster, try Power Plate[®] technology to complement your treatment. Power Plates[®] send vibrations through the body that increase blood flow, reducing inflammation and accelerating the body's healing process. Best of all, Power Plates are housed under the same roof as all these other advanced technologies at Monmouth Pain & Rehabilitation, so you can get your full treatment course in one convenient location.

Covered by most insurances, including Medicare

Who is a good candidate for this treatment?

Do you wake up with knee pain? Does your knee pain keep you from certain activities? Have you been told you need a knee replacement? Are you active and sometimes suffer from sore knees? Do you take medications for knee pain? Do you have difficulty going up and down stairs due to knee pain? Are you considering surgery? Have you tried everything to get rid of knee pain with no success? **If you answered yes to any of these questions, you are ready to experience the relief and healing found with the knee program at MONMOUTH PAIN & REHABILITATION.**

Arthur W. Potts Memorial Post 529
“Veterans helping Veterans”

The American Legion during its 100th year celebrates the ‘Greatest Legislation’

“The Greatest Legislation: An American Legion Centennial Salute to the GI Bill” is a multimedia exhibit that celebrates the GI Bill and has just completed a two-month stay at the Bob Hope Patriotic Hall in Los Angeles.

The GI Bill drafted by American Legion Past National Commander Harry W. Colmery in December 1943 at a time when medically disabled World War II GIs were returning to their communities at a rate of about 75,000 per month, the Servicemen’s Readjustment Act of 1944 (GI Bill) was written to provide unemployed veterans support in a difficult economic time. The long-term effect of the GI Bill was to transform the U.S. economy and culture for decades to come.

The GI Bill is often characterized as the most significant social legislation of the 20th century. It is credited for preventing an economic catastrophe after World War II, making homeownership a reasonable expectation for average Americans, educating millions of veterans and creating an incentive to serve in the military so valuable that the United States has operated as an all-volunteer force since 1973.

“The ongoing story of the GI Bill and how it has influenced the growth and strength of our nation spans every generation of The American Legion—from the World War II veterans who originally drafted it and fought for its passage to the post-9/11 era that uses it today,” said American Legion 100th Anniversary Observance Committee Chairman and Past National Commander David K. Rehbein.

I am one of the millions of veterans that owe his college education to the GI Bill and I salute Harry W. Colmery and those Legionnaires who came before us and made our paths a little easier.

ON THE STREET WHERE YOU LIVE

Carol Petaccia – 1518 Harvest Lane
Mary Lou Skesavage – 2570 Collier Road

Photo by Joan Daurio

Carol Petaccia (left) and Mary Lou Skesavage in front of two of Carol's serenely lovely watercolors.

*Trying to encourage new residents to introduce themselves in **The Voice** can be quite an ordeal. Reasons to decline are too numerous to mention. However, I was able to track down two Newbees who have become close friends, two sopranos having met sitting next to each other in our Chorale. Thankfully, they agreed to be interviewed. So here are their stories they shared:*

Carol Petaccia grew up in Ft. Lee, New Jersey where her beloved grandmother was a very strong influence in her life. Carol was Grandma's little shadow in the garden as well as in the kitchen. Her first job was working at Columbia University as the secretary to the Bursar. Although she married at a very young age, the commitment turned out to be an extremely long, happy and harmonious union. Her husband worked in the commercial real estate business. They moved to Englewood Cliffs, where two daughters and two sons added to their lively household.

Raising her children, Carol always emphasized kindness, caring and compassion. She also instilled in all of

them an appreciation of books, music and the arts. She is very proud that they have all turned out to be exceptionally kind, thoughtful and giving individuals, as well as totally self-sufficient. [As an example, her older daughter adopted two handicapped boys, one when he was 6 years old and 7 years later a newborn baby, who was even more severely challenged.] Carol now has a total of 7 grandchildren, ranging in age from 14 to 22. This past Thanksgiving the entire gang arrived to enjoy a memorably fun (cozy, though tight) celebration in Carol's home.

In 1973 they bought a summer home in Avon, where the family enjoyed spending weekends and holidays. In 1995 they renovated and expanded it, turning it into their permanent residence. Carol was very involved with the Avon Women's Club. She also was an ardent volunteer at the old Neptune High School (at the gates of Ocean Grove, now known as the Jersey Shore Arts Center). There she helped with numerous very successful fundraisers that paid for a new roof as well as repairs to damages that had been caused by the leaking roof. Her artistic inclinations were also very evident: she had a kiln in her home and she donated her ceramic pieces of art to support several charities. She also was a dedicated member of the Ocean Grove quilting group that donated their lovely creations to various military facilities.

After a long illness, her beloved husband passed away in 2002 at the young age of 62. It was around that time that some dear ladies she had met at an exercise class at the Atlantic Club - including **Susan D'Altrui** - took her under their wings, showering her with kindness and support. They remain friends to this day.

Carol's love of music is evident when you enter her lovely home to the strains of melodic classics. Her love of art is also obvious, noticing various paintings and wall decorations, many of which she created herself. Years ago she began taking classes in oil painting. (Gals, ask her about a memorably hilarious drawing class experience!) Over time she switched to watercolors for which she is currently attending another class. Other hobbies included needlepoint and making silver jewelry. (One example she showed is an adorable pendant of two intertwined ducks.) Her hobbies here are expanding: she already enjoys singing in our Chorale, has signed up to play Bocce and wants to join our Welcoming Committee. So we welcome you, Carol, and hope your artistic and musical talents thrive here!

Mary Lou Skesavage and her husband Jim grew up and were married in Wilkes-Barre, Pennsylvania. Jim joined the Marines straight out of high school, and after

Continued on page 33

cont'd from page 32

serving three years, went back to school, graduating from Wilkes University with a degree in Accounting. Mary Lou graduated from Misericordia University with a BS in Elementary Education.

They lived in Pennsylvania where their three sons were born, and then moved to Hasbrouck Heights, New Jersey (Bergen County) where Jim commuted to New York City as an accountant for one of the top seven accounting firms. He later worked for American Cynamid in marketing, and was often sent to Germany to deal with manufacturing and the European clients. Mary Lou began to teach school after the boys were out of the house. She taught fifth and sixth grades "some of this and some of that," teaching one of her favorite subjects, English grammar and diagramming, for which she is still remembered. She was thankful for the job - within walking distance of their home - which she describes as "the perfect profession as a mother," retiring after 20 years.

When Jim's company evolved and merged with a German company, Jim bought the division that manufactured plastics for custom orthotics, and started his own business. Jim and their two sons, Mark and Steve, were very active in the company. As the company expanded, more space was needed. Mary Lou and Jim decided to move to the Jersey shore, where they knew their sons would always visit and bring their families. A facility was located in Neptune and Jim, Mary Lou and the company moved to Monmouth County in 1995. They were original owners at Apple Ridge in Wall Township (between Routes 34 and 35 on Lakewood Road). There Mary Lou became active in the Spring Lake Women's Club where she has served as Membership Chairperson and Corresponding Secretary for several years. She has also been very active at her church (Saint Catharine in Spring Lake) on the Social Concerns Committee and the Welcoming Committee. She has volunteered at the local library teaching English as a Second Language, and has also volunteered for over 10 years at the Epiphany House in Asbury Park, a home for women in recovery with infants and toddlers.

Sadly, in 2008 Jim succumbed to pancreatic cancer. The family business is now run very successfully by her two sons, Mark and Steve. Her oldest son, Jim Jr., lives in Atlanta with his wife and family and is an investment banker. Mary Lou has 4 grandchildren and enjoys seeing them whenever she can.

Mary Lou has a winter time-share in Florida, and in 2016 was sitting poolside when she started a conversation with a very friendly gal. That lady was none other than our dear **Elaine Barsa**, who told Mary Lou to come over and check out Four Seasons when they returned home. Mary Lou had been thinking of downsizing, so she came and bought a house right away! In July 2016, Mary Lou moved in and has since been active in the Chorale, Book Club, Women's Club, Singles Club, and now wants to try Bocce and MahJongg, and would also like to be a part of a welcoming team. However, she does recommend something that is missing here: "Four Seasons needs a bar!" I tend to agree.

We welcome you both, Mary Lou and Carol, and look forward to your efforts to help welcome and charm others who also take that step to make Four Seasons their new home.

providing a place for women with cancer to heal; mind, body, and soul

Mary's Place by the Sea is a safe haven for women with all forms of cancer. Mary's Place offers women a break from their daily responsibilities and medical treatments, and the opportunity to focus on their healing. Our guests are provided with rest and support during this challenging time in their lives. Mary's Place offers holistic, integrative modalities including oncology massage, nutrition education, individual counseling, Reiki, guided meditation, expressive writing, and yoga, all at no cost to our guests.

The demand for our services has been so great, that what began out of two bedrooms in a bed and breakfast now operates out of a ten-bedroom, custom built, retreat center in Ocean Grove. Since its founding in 2009, Mary's Place by the Sea has welcomed nearly 7,000 women as our guests.

If you or a loved one are dealing with cancer, and would like to find out more about Mary's Place, please visit www.marysplacebythesea.org or contact us at 732-455-5344.

KIRMS PHOTOGRAPHY Flower Photography

Spring is here and with it the annual flower explosion! Here are a few things you can do to make your flower images have more impact.

Get low and shoot the flowers at their level. If you can isolate an individual bloom against a plain background it will have more personality.

When shooting a flower bed, try to highlight a portion of the bed. Always shoot from a few different angles to see how the light changes the look of the flowers. Try getting some front light, side light, and backlight if possible.

If the flowers are against a wall or building, you can insert a plain background (such as a large card) to make the image look more professional. Don't forget flowering trees and shrubs.

If you have a field of flowers inserting a person (especially a grandchild) will add interest to the shot. Don't forget your rule of thirds!

That's it for this month. As always you can email me at bill@KirmsPhotography.com with any photographic questions. See more of my images you can visit my site at www.KirmsPhotography.com. Remember to keep shooting and trying to improve your images, but always have fun with your camera.
