SUMMER POOL SEASON
SPECIAL PERMIT

The Association's special permit program is a privilege extended to all residents. Residents can apply for a special pool permit through the management office. The issuance of the special pool permit will allow a resident's 21 years of age or older child/children or grandchild/grandchildren to use the outdoor pool without being accompanied by the resident during the hours of 11:00 AM to 6:00 PM (hours that the pool manager is on duty).

The registered 21 years of age or older child/children or grandchild/grandchildren will make themselves known to the pool manager on duty, present and surrender the permit to the pool manager and sign in when entering the pool facility. The permit is retrieved from the pool manager when leaving the facility.

Any resident wishing to apply for the special permit will be required to fill out a form to include the names of the 21 years of age or older child/children or grandchild/grandchildren who might use the permit when not accompanied by the resident. The privileges extended by use of the special pool permit will supersede the summer pool rules requirement for residents needing to accompany the registered guest(s).

The Board of Trustees monitors this program and retains the authority to rescind the use of the special pool permit by anyone abusing the pool rules, or to amend or cancel the program.

The program succeeds only with your full cooperation and support! Thank you and have a wonderful summer season.
