Re: Four Seasons at Wall Homeowners Association – Lot 49, Block 893.06

Dear Mr. Henderson:

Kindly recall that we represent the Four Seasons HOA.

The Association has legitimate concerns with respect to the proposed installation of the sewer line by your client. The purpose of this letter is to request a meeting with your client and the Township to discuss those concerns **before any further work to install the sewer line is performed.**

It is not the Association's intention to delay your client, but rather to insure that its concerns are addressed. By copy of this letter, therefore, we are asking the Township to coordinate such a meeting **at the earliest possible time.**

Very truly yours,

ROGER J. McLAUGHLIN
