1546 Harvest Lane

### **EDUCATION**

Bachelor of Arts in Economics 1969, Douglass College, Rutgers, The State University.

Various courses and programs in the workplace, including management and leadership courses, effective negotiating, all areas of banking operations, technology, ethics, equal opportunity and human resource activities.

### **PROFESSIONAL EXPERIENCE**

National Bank Examiner (1969-2008)

Comptroller of the Currency, U.S. Treasury Dept.

During my 39 year career, I managed teams of examiners performing legally-required on site examinations of national (commercial) banks. During the period 1991-1996, I was part of a resident exam team based at Chase Manhattan Bank, with responsibility for the supervisory oversight of corporate and international credit portfolios. From 1997 until 2008, I was part of the international division and supervised a portfolio of federally-chartered branches of foreign banks operating in the US. I conducted examinations of US bank branches overseas; met with executive management of multinational institutions, foreign regulators and central banks. Ancillary responsibilities included intermittent administrative positions, teaching classes in examination areas and speaking engagements with professional banking groups.

### **STATEMENT**

As I seek a second term as a Board member, I would like to use my increased knowledge of our beautiful community to maintain our well earned reputation as a financially sound, well managed and highly desirable community. We have had many positive enhancements to our community in the past two years, including savings on expenses, improving grounds and operations and enhancing communications and openness with our residents. I am out and about the community and always welcome the opportunity to discuss observations, requests and suggestions. My experience thus far has only increased my desire to continue contributing to our community as an active member of the Board.
